**Committal**

*Tis only we who grieve*

Tis only we who grieve

They do not leave

They are not gone.

They walk among the valleys now

They stride upon the hill

Their smile is in the summer sky

Their memories whisper in the grass

Their calm is in the trees

Their light is in the winter snow

Their tears are in the rain

Their merriment runs in the brook

Their laughter in the lane

Their gentleness is in the flowers

They sigh in Autumn flowers

They do not leave

They are not gone

Tis only we who grieve
