Just Remember

Just remember, when you think you're gonna fall

Just remember, there's my picture hanging on your wall

Just remember, that you're never there alone

For I will always be there, I'll never let you go

Just remember, when you think your heart is breaking

Just remember, if your weary soul is aching

Just remember, that you're never there alone

For I will always be there, I'll never let you go

Chorus

No, I won't let you fall, my spirit's by your side

You're gonna get through life, you're gonna be alright
