Words of Comfort and Committal

Recessional and Farewell

To Those That I Love

When I am gone, release me, let me go
I have so many things to see and do
You must not tie yourself to me with tears
Be happy that I have had so many years

I gave you my love, you can only guess
How much you gave me in happiness
I thank you for the love each have shown
But now it is time I travelled on alone

So grieve a while for me, if grieve you must
Then let your grief be comforted by trust
It is only for a while that we must part
So bless the memories in your heart

I will not be far away, for life goes on
So if you need me, call and I will come
Though you cannot see or touch me, I will be near
And if you listen with your heart, you will hear
All of my love around you soft and clear
Then, when you must come this way alone
I will greet you with a smile and welcome you home.
